Products

Categorised and
automatically
maintained by
MMM but also
includes all and
any other
"products" the club
sells - typically bar
sales and food
sales but can
include anything
the club as a whole
draws revenue
from. Eposnow
could/should hold
ALL sales related
data..

Member Balances

Eposnow balances are reflected back into MMM

Integrated
reports

Feeds into
accounts

Eposnow allows full manual
control to book purchases and
manage member credit
independently from MMM
